

REMARKS

Applicants respectfully request amendment of the specification in order to correct a typographical error.

Applicants attach a marked-up version of the change made to the specification by the current amendment; the attached version is titled "Version with Markings to Show Changes Made."

Conclusion

If any additional fees are required for the timely consideration of this application, please charge deposit account number 19-4972.

Respectfully submitted,

Keith J. Wood

VERSION WITH MARKINGS TO SHOW CHANGES MADE

The paragraph beginning at page 31, line 17 has been amended as follows:

Subjects may also be characterized using symbols representing other system inputs, including (for example) educational backgrounds, geographical locations, company sizes, hierarchical positions, and preferences. Thus, for example, the symbolic representation {M1, M5, MBA, MSME, CT, F500, CMO, P-CT, P-PV, P-TECH} could be used to represent a marketing manager with experience in the consumer package goods and consumer software industries, who has an MBA and an MSME degree, who has worked in Connecticut at a Fortune 500 company, and risen to the Chief [Management] Marketing Officer hierarchical level; and who has preferences for jobs in Connecticut, at private companies, in the technology sector.
